Dickinson County Now an Extension District
Dickinson and Marion County Extension Councils will become part of the Chisholm Trail Extension District #20 on July 1. As part of an extension district, the staff, board of directors, and program development committee members of both counties will work together to plan and provide resources and services to meet the needs of residents of the district. Programming will continue to be provided in all areas – agriculture and natural resources, family and consumer sciences, community vitality, and 4-H youth development. When it comes to 4-H, the work of all of these groups will be based on providing the best experiences for youth.

Extension Office Hours
Our office staff has been working remotely due to in-person restrictions set by K-State Research and Extension. During this time, we are available to you by phone, email, and appointment. Starting Monday, July 6, we will have staff in the office during regular office hours, 8 AM – 5 PM, Monday – Friday. Even after that date you are HIGHLY encouraged to call-in or email your question or request prior to stopping in. We are available directly during office hours via our phone extensions at 785-263-2001.

Don’t Forget Our Socials – Keep Up To Date!

Friends of 4-H Picnic
Due to covid-19 gathering restrictions, the Friends of 4-H Picnic will not be held this year. The Dickinson County 4-H Council voted instead to mail a thank you card and decal to supporters. Clubs are still asked to provide a basket to be raffled. Baskets should be delivered to our office the week of July 6th.

Achievement Pin Applications
The 4-H Youth Development Program Development Committee has made modifications to the achievement pin forms because of covid-19 restrictions. These will be posted soon on the 4-H Forms and Applications page: https://www.dickinson.k-state.edu/4-h/forms_and_applications/. Families and leaders are reminded that flexibility is key with these this year. Virtual club meetings and events should be considered full substitutes for in-person activities and thought should be given to ways 4-Hers have helped the community during the pandemic.

Tri-County and Central Kansas Free Fairs
Our fairs will be very different this year. Please give close attention to instructions and deadlines as we are all working in unfamiliar territory and nothing is “normal”. Big changes that require your attention first are PRE-ENTRY DEADLINES of June 25 for TCFF and July 5 for CKFF. ALL EXHIBITS MUST BE PRE-ENTERED BY THE DEADLINES! Projects not pre-entered will not be judged or shown. Schedules made for conference judging will be kept as closely as possible. Please plan to be at your assigned judging on time as there won’t be wiggle room.
Favorite Foods Show
Theme 2020 "International Foods"
Please register by **July 5** via FairEntry
Come join us for the Favorite Foods Show on **July 24, 2020 at 5pm at Sterl Hall**, 619 N Rogers St, in Abilene. This event is open to currently enrolled Dickinson County 4-Hers. This year we are asking only participants and one supporting adult to attend.

**Rules**

- A face covering or mask will be required of all who enter the building.
- This event is a presentation of a table setting/favorite food display as a conference judging experience.
- Plan a healthy menu and bring the menu as a part of your table display. Remember the food groups and how colors and textures make meals pleasing to several of our senses.
- Bring your favorite dish from that menu. You will serve an appropriate adult serving size as a part of your table display. Judges will not taste the food. The served food will be donated to a local organization.
- Bring a copy of the recipe and the cost per serving (a copy needs to be sent electronically to renaer@ksu.edu as well)
- Be prepared to answer questions during the conference judging as to why you chose this recipe? What makes it healthy, or if not so healthy, how it complements the rest of the menu. How could you make it a healthier option? Also think about any food safety considerations that would be relevant. We are encouraging participants to update their recipes with food safety instructions, such as “wash your hands...” as the first direction. For more information, see the guidance and examples on our office website under the Central Kansas Free Fair tab.
- Tables will be provided-- your option to use a table cloth, etc. for presentation. Keep it simple...how you would present what you made and eat it...? Serve the dish how it would be served (example: napkin or plate or plastic baggie even)
- Please dress in typical 4-H conference judging attire. While it will be tempting for some to wear a costume or clothing that ties to their chosen international cuisine, this additional step is discouraged this year.
- You will be assigned a time for conference judging with considerations for families. Please time yourself at home to know how long it will take you to set up. Allow for that time, plus 5 minutes only for safety reasons. The participant and the judge will be allowed at the table during judging. Once your judging is complete, your picture will be taken to assist the judge as well as for promotion and a “cookbook” that will be compiled and available later in the summer. You will be asked to clean up your area and leave the building. Announcements for the top two in each age division will be made via the online FairEntry results.
  - Questions? Contact FCS Agents Renae at renaer@ksu.edu or 785-263-2001 ext- 3 or Mirna at mbonilla@ksu.edu or 785-263-2001 ext-7
Central Kansas Free Fair
In all of our decisions and planning, the health and well-being of our 4-H families, judges, superintendents, staff, and community is the highest priority. As we set procedures, please know that we are utilizing best practices and expect that those procedures will be followed by all involved, as is expected with our 4-H code of conduct and 4-H volunteer code of ethics.

Here’s some details we know now as we begin the planning process:

- **July 5 - ALL CKFF 4-H exhibits must be pre-entered by this date in FairEntry (ckff.fairentry.com).** This site will be open starting June 10, 2020.
- Instructions for FairEntry may be found here: [https://www.dickinson.k-state.edu/central-kansas-free-fair/index.html](https://www.dickinson.k-state.edu/central-kansas-free-fair/index.html)
- 4-H/FFA divisions only (no open class)
- Club king and queen nominations should be emailed to dk@listserv.ksu.edu by June 25
- Fair helpers will not be assigned, SQAUD members will be asked to fill needed leadership roles
- Pictures of each project must be uploaded in FairEntry by the judging date if you would like the exhibit to be available for public view online. Projects will not be on public display.
- **Exact** tag numbers for which animal(s) will be shown by individual exhibitor(s) must be provided by the pre-entry deadline (animals have been tagged by family, but must be entered by individual).
- It is **highly** suggested that the photo uploaded for livestock be a profile with the 4-Her in show attire.
- Conference judging will be scheduled based on pre-entries and every attempt will be made to schedule families together. Social distancing best practices will be used. Participants will need to pay close attention to the schedule as they should plan to arrive not earlier than 5 minutes before their scheduled time.
- Note: foods judges will not be tasting food products
- Conference judging participants and judges will practice proper social distancing.
- Family and Consumer Science Judging will be offered virtually. Options are being explored for photography and livestock judging contests.
- Fashion revue conference judging will be held. The public revue will be an online showcase.
- Cat and dog shows will follow livestock show protocols with efforts made to provide online access.
- All 4-Hers, immediate family members and volunteers are encouraged to wear cloth face coverings. Bandanas are acceptable and we plan to have face coverings available on grounds for those without masks.
- Social distancing between family units and exhibitors is strongly encouraged.
- Exhibitor and immediate family only on grounds. A limit on immediate family allowed with each exhibitor may be implemented to follow crowd capacity rules.
- Handwashing and hand sanitizing stations will be available.
- Bathrooms and door handles will be disinfected every hour during the judging process.
- Signs will be posted to encourage COVID-19 healthy precautions.
- Buildings will have markers on the floor to assist with social distancing during the check-in and judging process.

Livestock Specific (including equine and poultry)

- Show and go livestock showcase experience. Livestock will check-in/weigh-in, show, and be dismissed the same day. No livestock will stay overnight.
- Exhibitors are encouraged to show out of their trailer when possible. Socially distanced pens will be available for those unable to pen at trailer.
- Immediate family to only be in the show area when their exhibitor is in the show ring or holding area. All reasonable efforts will be made to provide online access to shows.
- Smaller number of exhibitors in each class to maintain social distance inside the show ring. Cattle, sheep, goats, and equine will be set-up a minimum of 6 feet apart while in the ring. Swine classes will be smaller in order to encourage social distancing.
- No Round Robin
- Alternative rabbit exhibit options will be developed due to RHVD2 concerns.
- Livestock sale will be in-person with all sale animals on the grounds by 9 AM on sale day. No club cookie jars.
4-H Meeting Guidelines After July 4th
The following guidelines for transitioning back to face-to-face programming has been provided by Kansas 4-H. Please be conscientious in planning for safety and access for your club families and members. These guidelines are expected to be followed until other guidelines are provided by Kansas 4-H. This information is also available at: https://www.dickinson.k-state.edu/4-h/docs/4-H%20Ongoing%20Mitigation%20After%20July%204.pdf.

We must remain vigilant to keep safety of the participants, volunteers, and public top priority as we transition to face-to-face programming. Community volunteer leaders must consider the following but note that no participant should be asked to participate in any manner that makes them feel uncomfortable or is unsafe.

- Can the program be offered using a virtual platform?
- Are there participation options for families interested participating but concerned about the health/safety of their family?
- What precautions are you taking to minimize the participants’ risk of exposure to COVID-19?
- Have you communicated public health etiquette to be practiced at the 4-H program?
  - Stay home if you have tested positive, are showing COVID-19 symptoms, or had close contact with a person with COVID-19 in the last 14-days.
  - Practice hand hygiene and respiratory etiquette:
    - Frequently wash hands with soap and water for at least 20 seconds. If soap and water is not readily available use hand sanitizer with at least 60% alcohol.
    - Cover cough and sneezes with a tissue or use the inside of your elbow.
  - Use Cloth face coverings.
  - Maintain a 6-ft distance with others as much as possible.

GUIDELINES FOR 4-H YOUTH PROGRAMMING
PRIOR TO THE PROGRAM
- Clean and disinfect surfaces and objects that are frequently touched and establish a plan for cleaning and disinfecting every hour.
- Provide access to hand-washing stations with soap, hand sanitizer with at least 60 percent alcohol, paper towels, tissues, disinfectant wipes, cloth face coverings, and no-touch trash cans as feasible.
- Modify layouts: Space seating at least 6-ft apart.

DURING THE PROGRAM
- Reduce the physical closeness of participants and the length of time they are close to each other or to leaders
- Model and encourage the use of cloth face coverings.
- Reduce the amount of necessary touching of shared equipment/materials
- Whenever possible, group participants/volunteers from the same household together.
- Discourage handshakes, hugs or any other signs of greeting that violate physical distancing.
- Limit sharing of items that are difficult to clean, sanitize, or disinfect.
- Circulate outdoor air as much as possible.
- Prioritize outdoor activities where social distancing can be maintained as much as possible.
- Food: If providing food at an event, provide pre-packaged boxes or bags for attendees instead of a buffet or family-style meal.
- Keep a record of participants’ contact information.
**CKFF State Fair Intent to Exhibit Form**

Please have the Intent to Exhibit Form filled out online at [https://tinyurl.com/ksfintent](https://tinyurl.com/ksfintent) by Wednesday, August 5th. This form will be available to all eligible State Fair participants at the CKFF. It is the exhibitor’s responsibility to make sure that this form is completed. This form will ensure proper data entry for the State Fair.

**Club Pictures Still Needed**

If your club did not have their club picture taken at model meetings, please get your picture turned into the Extension Office ASAP so that it can be included in the special 4-H edition. These are needed ASAP.

**Dickinson County 4-H Council**

Date: Tuesday, July 28

Time: 6:45 p.m. – officers, 7:30 p.m. – full council

Via: Zoom

**Photography Mounting Boards and Bags Available**

In addition to photo mount boards for $1.25 each, our office has display bags available for $.25 each. These should be used for the photos you plan to exhibit at CKFF and TCFF.

**NEW- Change in 4-H Foods Rules for County and State Fair**

The Kansas State Fair 4-H Exhibitor Handbook has made a change for the 2020 fair year. They have eliminated the “Modification Class” from the Foods and Nutrition department and will no longer be eligible for judging. After much thought, we have decided to also follow the State Fair guidelines and eliminate our “Modified Class” at the local level to continue aligning with the state fair book, but do not fret as we always have a plan!

Based on the CKFF book, there is a stipulation already in place where a 4-Her can enter 3 non-perishable items, one educational display and 1 flop maximum. To not take away an opportunity for State Fair if we left the modified class in place, we will be allowing these recipes into the general “Non-perishable Class” with 4-Hers noting on their recipe it is a modified recipe. We want to continue encouraging and allow opportunities for our 4-Hers to modify recipes to improve the nutritional content, assist with food allergy issues, etc.—as it is a great learning opportunity and still qualify for State Fair.

Office staff will also be in conversation with local county food judges on this slight modification to ensure food items are judged based on food quality of the recipe. Again, this is a small change based on State Fair rules, but if you have any questions please feel free to reach out to us as we will be happy to help!

**State Fair Labels for 4-H Food Preservation Exhibits Updated**

The labels for food preservation exhibits were updated in 2018. Here are the changes:

- Altitude where processed. In some cases, 4-Hers do their canning project at another location, other than their own home. For example, going to a relative’s home on the other side of the state. So the label needs to reflect what the altitude is for where the jars of food were processed, whether in your own home, or somewhere else.
- Canning Method: water bath or pressure - circle which method was used. If pressure canning, indicate on the next line which type of canner was used, dial gauge or weighted gauge, and write in the pounds of pressure used.

These can be found at [http://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/index.html](http://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/index.html), 4-H Exhibit Area Downloads, foods preservation.

Class No______ Product_____________________

Name_________________________

County/District_____________________

Altitude where processed _______ Process Time _______

Canning Method: Water Bath OR Pressure

Dial Gauge (psi)______ Weighted Gauge (psi)______

Date processed (month/year) ____________________
Foods and Clothing Labels
Labels are required in clothing and fiber arts exhibits. Exhibitors can make their own label on a piece of cloth with a permanent or laundry type marker. Labels should be about 3” x 2½” in size and include exhibitor name, class number and county. *The Food Preservation Labels changed in 2018 – be sure you are using the new labels.* For Foods items, there is a label template available for download at: [http://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/index.html](http://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/index.html) under “Foods and Nutrition” and “Food Preservation.” We have some printed and available.

Food Safety Text in Recipes Cards
Multiple studies show that when consumers follow recipes that incorporate basic food safety instructions, they significantly increase food safety behaviors. The Safe Recipe Style Guide ([https://www.saferecipeguide.org/how-to-use/](https://www.saferecipeguide.org/how-to-use/)) provides easy edits to any recipe to improve food safety practices. One example is listed below:

- Cook until internal temperature reaches XX (fill in the blank and include chart with specific foods) on food thermometer.

The guide provides recipe text to address the four major areas of most food safety violations in home kitchens: temperature, handwashing, cross contamination and produce handling. The main idea of adding additional text to recipe cards is that instructions such as these in recipes can reduce food borne illness. Although it is not mandatory, we highly encourage 4-H’ers to practice using these methods when creating their recipe cards for their foods projects. For additional resources, check out our county website under the CKFF tab for easy instructions on how to include food safety practices into your recipe card for Fair! Also, be sure to check out the saferecipeguide.org website for information on their “30-Minute Meals Safe Recipe Contest” for a chance for the Grand Prize winner of contest to be featured in an online cookbook!

Hints on Exhibiting Horticulture and Floriculture
K-State Research & Extension publications *Exhibiting Fruits and Vegetables* and *Preparing Cut Flowers for Exhibit* are excellent resources for 4-H members and adults that are planning to exhibit their vegetables or flowers. These publications are often used by judges as they evaluate fair entries and may be found by visiting: [http://www.ksre.ksu.edu/bookstore/](http://www.ksre.ksu.edu/bookstore/). The University of Illinois Extension has prepared a series of YouTube videos on how to prepare produce for the fair. These videos give step by step instructions on how to select and groom various types of vegetables for exhibit. Available at: [http://www.youtube.com/user/UIExtension](http://www.youtube.com/user/UIExtension).

Kansas 4-H and FFA Wheat Variety Plot Enrollment
It is time to enroll for the 2021 Kansas 4-H and FFA Wheat Variety Plot program. The program begins fall of 2020 and goes through September 2021. The enrollment form is located at [http://www.kansas4-h.org/events-activities/conferences-events/wheat/wheat-variety-plots/index.html](http://www.kansas4-h.org/events-activities/conferences-events/wheat/wheat-variety-plots/index.html) Members are asked to return their enrollment form to the Extension Office by July 10. New participants will receive a large plot sign, and five individual variety signs. A seed fee is required.

Kansas State Fair Information
Livestock Entry Deadline: Online entry is available for anyone interested in exhibiting beef, sheep, or swine at the KSF. This includes both nominated market animals and breeding animals. Online entry must be completed by July 15th and are available at [http://www.kansasstatefair.com/p/exhibitors/livestock-competitions/377](http://www.kansasstatefair.com/p/exhibitors/livestock-competitions/377)

Kansas State Fair 4-H Horse Show Entries:
The entries for the State Horse Show are due August 1st. Instructions should soon be found at: [https://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/index.html](https://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/index.html)
**Conference Judging**

**Purpose:** the judge wants to learn more about you and your project.

**What to expect:** conversation and questions about your project...

- Tell me about how you selected this particular exhibit to compete this year for fair.
- What was your favorite part of this exhibit?
- What was the most important thing you learned?
- If you had the chance to do this exhibit again, what would you change?
- Where did you learn how to _____?
- Tell me more about ______.
- What part was the most difficult?
- What was the easiest?
- How will you use what you learned next time?

**Hints**

- Keep eye contact with the judge.
- **Be prepared to talk about your project, you will only have about 5 minutes with the judge!**
- Sit attentively in your chair, try not to wiggle around.
- No gum!
- Speak to the judge, answer questions directly.
- Even though they may be sitting nearby, avoid looking to your parent or guardian for information.
- Listen carefully to the feedback the judge gives.
- Ask questions!

**PRACTICE!**

---

**Vet Med ROCKS Camp Goes Virtual**

Due to the COVID-19 pandemic, the Vet Met ROCKS summer day camp will take place in a virtual format this year — and it's free of charge.

"We hope to still interact with campers through Facebook Live and present information on interesting topics, assign tasks to campers and allow campers to ask questions and upload photos of their projects for camp counselors to evaluate," said Michael Demmin, a third-year veterinary student and summer camp chair for Vet Med ROCKS, the Recruitment and Outreach Club of Kansas State, in the College of Veterinary Medicine.

From Aug. 3-6, students in kindergarten through the eighth grade will have the opportunity to learn about a different system/organ every day. Participants will get to enjoy fun hands-on activities using household items to enhance learning about each day’s topic. Each day will end with a live Q&A session where campers can ask questions to current K-State veterinary students about the daily topic or veterinary school.

On Aug. 7, the club will host a virtual rounds session for high school and college students where clinicians will run through clinical cases. A Q&A session will also be conducted by admissions representatives and current students to get details of how to get into veterinary school and life as a vet student.

Preregister at vet.k-state.edu/asp/rocks/ and follow the Vet Med ROCKS Facebook page for updates.
Entries for **ALL** projects must be pre-entered using the Google Form by:  

**June 25, 2020**

Pre-entry link for non-animals:  [https://tinyurl.com/tcff2020](https://tinyurl.com/tcff2020)

Pre-entry link for animal exhibits:  [https://tinyurl.com/tcffanimals2020](https://tinyurl.com/tcffanimals2020)

**THURSDAY, JULY 9**

Conference Judging time will be as assigned, start times for each project are listed, it will be a show and go style

8:30 am Judging:  
Foods  
**Food products will be donated to a local food pantry following food judging**

8:30-noon Judging:  
Arts and Crafts  
Miscellaneous  
Banners

11:30 am: Poultry check in

12 pm: Poultry Judging

12 p.m. Judging:  
Floriculture  
Clothing  
Home Environment  
Fiber Arts  
Photography  
Field Crops  
Horticulture  
Woodworking  
Electrical  
Entomology  
Geology  
Aerospace

5 pm-5:30: Check In Dairy Cattle & Dairy Goats

6pm: Dairy Cattle and Dairy Goat Show

**FRIDAY, JULY 10**

8 am-8:30 am: Swine check in
9:00 am: Swine Show  
10 am-10:30 am: Bucket Calf & Beef check in  
11:00 am: Bucket Calf & Beef show

**SATURDAY, JULY 11**

7:30 am: Horse Show Check-in  
8 am: Horse Show 4-H  
8 am-8:30 am: Sheep check in  
9:00 am: Sheep show  
8:30 am: Dog Show check in  
9 am: 4-H Dog Show (park shelter)  
10 am-10:30 am: Check in Meat/Breeding Goats  
11 am: Meat/Breeding Goats Show
4-H exhibit judging and shows will be modified at the Tri-County Free Fair. The health and well-being of 4-H families, judges, superintendents, staff, and community is the highest priority. Please know that these guidelines have been set utilizing best practices and expect that those procedures will be followed by all involved, as is expected with our 4-H code of conduct and 4-H volunteer code of ethics.

Details to Keep in Mind for ALL Exhibits:

- **June 25 - ALL 4-H exhibits must be pre-entered by this date**
- 4-H/FFA divisions only (no open class)
- Conference judging will be scheduled based on pre-entries and every attempt will be made to schedule families together. Social distancing best practices will be used. Participants will need to pay close attention to the schedule as they should plan to arrive not earlier than 5 minutes before their scheduled time.
- Conference judging participants and judges will practice proper social distancing.
- All 4-Hers, immediate family members and volunteers are encouraged to wear cloth face coverings. Bandanas are acceptable.
- Social distancing between family units and exhibitors is strongly encouraged.
- Exhibitor and immediate family only on grounds. A limit on immediate family allowed with each exhibitor may be implemented to follow crowd capacity rules.
- Handwashing and hand sanitizing stations will be available.
- Signs will be posted to encourage COVID-19 healthy precautions.
- Buildings will have markers on the floor to assist with social distancing during the check-in and judging process.

Livestock Specific (including equine and poultry)

- Show and go livestock showcase experience. Livestock will check-in/weigh-in, show, and be dismissed the same day. No livestock will stay overnight.
- Exhibitors are encouraged to show out of their trailer.
- Immediate family to only be in the show area when their exhibitor is in the show ring or holding area.
- Smaller number of exhibitors in each class to maintain social distance inside the show ring. Cattle, sheep, goats, and equine will be set-up a minimum of 6 feet apart while in the ring. Swine classes will be smaller in order to encourage social distancing.
- No Round Robin

Subject to change based on current conditions and decisions of the Tri-County Free Fair Board.
