Hints on Exhibiting Horticulture and Floriculture

K-State Research & Extension publications Exhibiting Fruits and Vegetables and Preparing Cut Flowers for Exhibit are excellent resources for 4-H members and adults that are planning to exhibit their vegetables or flowers. These publications are often used by judges as they evaluate fair entries and may be found by visiting: http://www.ksre.ksu.edu/bookstore/. The University of Illinois Extension has prepared a series of YouTube videos on how to prepare produce for the fair. These videos give step by step instructions on how to select and groom various types of vegetables for exhibit. Available at: http://www.youtube.com/user/UIExtension.

4-H Food Sale
Sterl Hall Small Room – Wednesday, July 31st, from noon until food is sold. Proceeds to Dickinson County 4-H Council.

CKFF Special Baking – Apple Cake
Enter your apple cake made with King Arthur flour in the annual Special Baking Contest from 1:00 to 2:00 p.m., Saturday, August 3rd, in Sterl Hall. Prizes are being sponsored by the King Arthur Flour Company with youth and adult divisions. Complete rules (i.e. must UPC from King Arthur flour!) are listed in the premium guide. The cakes will be sold after the judging with the proceeds going to the 4-H Leadership SQUAD.

Foods and Clothing Labels
Labels are required in clothing and fiber arts exhibits. Exhibitors can make their own label on a piece of cloth with a permanent or laundry type marker. Labels should be about 3” x 2½” in size and include exhibitor name, class number and county. The Food Preservation Labels changed in 2018 – be sure you are using the new labels. For Foods items, there is a label template available for download at: http://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/index.html under “Foods and Nutrition” and “Food Preservation.” We have some printed and available.

State Fair Labels for 4-H Food Preservation Exhibits Updated
The labels for food preservation exhibits were updated in 2018. Here are the changes: altitude where processed. In some cases, 4-Hers do their canning project at another location, other than their own home. For example, going to a relative’s home on the other side of the state. So the label needs to reflect what the altitude is for where the jars of food were processed, whether in your own home, or somewhere else.
Canning Method: water bath or pressure - circle which method was used. If pressure canning, indicate on the next line which type of canner was used, dial gauge or weighted gauge, and write in the pounds of pressure used.
These can be found at http://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/index.html, 4-H Exhibit Area Downloads, foods preservation.

Addition to Foods Rule for 2019
New this year:
- Unbaked exhibits with raw flour (ex. no bake cookies) will be disqualified and not judged.
- Red Star yeast must be used to win prizes sponsored by Red Star. Contestants must attach a Red Star yeast empty packet or photo to the recipe. Items without the packet or photo attached will still be judged, just not eligible for the special Red Star awards.

**Hints for CKFF Beef Exhibitors**

- Stall Cards need to be up for each animal by Thursday (you can get them at the weigh-in table by the scales)
- The feed alley is where all of the hay, straw, feed, etc. should go, not behind the cattle
- Blocking chutes should be down after the show and removed from the cattle area
- Keep the stalls clean and the animals clean while in their stalls
- Have your animals tied correctly and use a neck rope
- Water the animals extra when it’s very hot
- After feeding your animals, pull the feed pans so they are not getting stepped on
- If you pull your animals out to feed them around the trees, don’t walk away – you need to attend to them until they are done and clean up behind them

Remember the goal is a safe and clean area to work in as well as a nice place for fair visitors. The beef superintendents award an individual herdsman award to one person that does an outstanding job during the fair taking care of their animals as well as helping their club try to win the stall award. Please see beef superintendents Roger Forsyth or Greg Acheson with questions.

4-H/FFA Division Fair Helpers
Superintendents/Assistant Superintendents

This is the ONLY notification you will receive

Helpers should be age 10 or older and in the Leadership project. Your job as a helper will be specifically outlined for you by your department superintendent(s). It will consist mainly of helping with entries on entry day, watching exhibits at assigned times through the week, and any other items required in a particular department as requested by the superintendent(s). You will need to work 4 hours to receive a fair pass good for one night of grandstand entertainment. Your pass will be given to you by your department superintendent, AFTER you have completed your work assignments. We are counting on you and if there is any reason you cannot work at your assigned time, please call the Extension Office or the superintendent of your assigned department to make arrangements for another work time.

Most livestock helpers should report on Wednesday shortly before 3:00 p.m. for check-in times. Other departments please be there just before the check-in or judging times. Please check in with your department superintendent as soon as you arrive.

For Fair Entry, Winners Walkway, Foods and Photography divisions, the superintendents of those projects will contact the 4-H Helpers prior to fair to set up a work schedule for fair week.

Find your name on the following list. If you do not find your name and you want to volunteer, check with department superintendents to see if they need any more help. Fair passes are not guaranteed if you were not signed up by the deadline.

Enjoy yourself and thank you for your help with the Central Kansas Free Fair!

Wednesday, July 31st, 12:00 p.m. – 4:00 p.m. Sterl Hall Small Room
- Bring food entries to conference judging at scheduled time on Wednesday. No pre-entry or pre-check-in required. You may, however, enter your items on-line using FairEntry to eliminate the two-part entry card.
- Check classes and rules in the Fair Premium Guide. *NEW* Empty Red Star yeast packet or picture of empty packet must be provided to be eligible for special Red Star yeast awards. Entries without will be judged, but will not be eligible for special awards.
- Approximately 8 minutes is allotted to each 4-Her. Check-in during your assigned club judging time.
- 4-H leader and/or parents are welcome to sit with the 4-Her and listen to the judge’s comments. Please allow the 4-Her to do the talking.
- Educational Exhibits (nutrition on a 3’x4’ tri-fold display/notebook) will be judged at the same time food is judged. 4-Hers are encouraged to make an educational exhibit; you can also exhibit 3 food items and 1 flop.
- Clubs are assigned a time and not specific judge (just like photography, visual arts, and woodworking projects). All food preservation entries will go to Judge #1 at the time their club is assigned.

FOOD EXHIBITING TIPS

FREEZING – Freezing baked products before the fair is acceptable. Be sure they are completely thawed before the judging. Use good storage containers; air tight plastic containers are recommended. Thaw baked goods slowly (in the refrigerator) in the container, bag, or wrap in which they are frozen. This minimizes moisture loss.

BAKING TIPS

- Practice making baked entries several times before the final preparation of your fair entry.
- Start early so you can improve your skills and make changes to recipes.
- Drop cookies are dropped from a spoon onto a cookie sheet. They may or may not be flattened.
- Bar cookies may be cake-like or compact and chewy. They are cut into bars when cool.
- Do not overmix muffin or cupcake batter; overmixing causes tunnels.
- Foam cakes should have a rough, slightly cracked top crust; use week old eggs, allow egg whites to come to room temperature before beating. Exhibit in upright position with top crust showing.
- Use solid shortening to grease pans rather than oil or spray.
- Whole wheat products are to contain at least 50% whole wheat flour.
- Grease muffin pans and quick bread pans on the bottom only to avoid a “fry line” around the top edge of the baked product.
- Use hydrogenated shortening instead of butter or margarine in cake frostings. It has a melting point of 127° F and produces a better product in hot weather.
- No cream cheese frostings allowed.

Special Baking Competition – Apple Cake

- Adult and Youth Divisions and must use King Arthur Flour and provide UPC label from bag or opened bag of King Arthur Flour
- 4-Hers can enter the Special Baking Competition (Using King Arthur Flour)
- See Open Class Foods Division for details.
- Entries are due Saturday, August 4th from 1:00 – 2:00 p.m. Judging begins at 2:00 p.m.
- The entries will be sold by the 4-H Leadership SQUAD following judging.

LIVESTOCK

- Beef – Proof of breed is required to show in purebred classes.
- Beef – No health certificate required. No brucellosis testing will be required for breeding animals, unless they originate from out of state.
- Equine – Must be checked in Wednesday, July 31st.
- Equine – A coggins test is recommended.
- All market livestock exhibitors must have completed Youth for the Quality Care of Animals training to sell in premium sale.

Remember to thank the sponsors of the fair awards. Sponsors are listed on the back of the award or in the Fair Premium Guide. Without sponsors the fair would not be possible.

Thank-you postcards will be in several locations for you to sign. SIGN THEM! But remember, they are not a substitute for a personal note.

**Conference Judging**

**Purpose:** the judge wants to learn more about you and your project.

**What to expect:** conversation and questions about your project...
- Tell me about how you selected this particular exhibit to compete this year for fair.
- What was your favorite part of this exhibit?
- What was the most important thing you learned?
- If you had the chance to do this exhibit again, what would you change?
- Where did you learn how to _____?
- Tell me more about _______.
- What part was the most difficult?
- What was the easiest?
- How will you use what you learned next time?

**Hints**
- Keep eye contact with the judge.
- Sit attentively in your chair, try not to wiggle around.
- No gum!
- Speak to the judge, answer questions directly.
- Even though they may be sitting nearby, avoid looking to your parents for information.
- Listen carefully to the feedback the judge gives.
- Ask questions!

**PRACTICE!**

**NOTE:** Conference judging times are scheduled by club. All members of the club(s) scheduled in a given slot must be judged before those from other clubs will be allowed to be judged. Everyone has a lot going on during fair week, thank you for your help!
